**ASSENTED-TO MOTION  
TO AMEND THE SCHEDULING ORDER**

Pursuant to Fed. R. Civ. P. 6(b) and Local Rule 40.3(B), Defendant CDC  
Globeleq, with the assent of Plaintiff Nature Island Investment Company, Ltd., hereby moves  
this Court to amend the scheduling order to extend the present deadline of February 9, 2007 for  
the service of dispositive motions by twenty-one (21) days to March 2, 2007. Although  
Defendant will defer to the Court's convenience, Defendant contends that it is not necessary to  
adjourn the pre-trial conference presently scheduled for February 13, 2007 at 2:00 p.m.

Defendant contends that there are valid grounds for the relief requested herein.

Defendant states that the parties have diligently and timely completed discovery. Defendant, as a party based in the United Kingdom, requires more time to obtain the declarations or affidavits from the appropriate individuals for the purposes of completing its dispositive motion. These knowledgeable individuals are based overseas and are often travelling. Defendant believes that the requested relief serves the interests of judicial economy because there is strong likelihood that its forthcoming summary judgment motion will substantially narrow the issues in the case or dispose of all claims, thereby averting the need for, or limiting the scope of, a trial.

The Court previously amended the scheduling order and pre-trial conference on September 8, 2006.

Dated: February 1, 2007
